In the matter of Composite Scheme of Arrangement amongst HEG Limited and HEG Graphite Limited and Bhilwara Energy Limited and their respective shareholders and creditors under Sections 230 to 232 and other applicable provisions of the Companies Act, 2013 ("Scheme")

Disclosure of Information pursuant to observation letters dated January 8, 2026, and January 9, 2026, issued by BSE Limited ("BSE") and the National Stock Exchange of India Limited ("NSE") with Securities and Exchange Board of India ("SEBI") comments

1. Shareholding pattern of Promoter/Promoter Group and Public shareholders before and after implementation of scheme is depicted as under:

Category	Pre-Scheme Shareholding (%)	Post-Scheme Shareholding (%)	Change (%)
Promoter/ Promoter Group	56.28%	60.72%	+4.44%
Total	56.28%	60.72%	+4.44%
Public Shareholders	43.72%	39.28%	-4.44%
Total	100%	100%	-

The public shareholders may note that implementation of scheme shall result in increase in the shareholding of Promoters of HEG Limited from 56.28% to 60.72%. The Public Shareholders of HEG Limited may also note that approval to scheme of merger would also result into them agreeing to decrease in shareholding on implementation of the scheme. Therefore, investors should read all the scheme related documents before exercising their voting rights.

Reasons for increase in shareholding of Promoter / Promoter group:

The increase in the shareholding of the promoter/promoter group of HEG Limited is pursuant to the Scheme of Arrangement involving the merger of Bhilwara Energy Limited into HEG Limited, under which equity shares of HEG Limited are issued to the shareholders of Bhilwara Energy Limited, determined in accordance with applicable laws and valuation reports. Since certain shareholders of Bhilwara Energy Limited who were already part of the promoter/promoter group of HEG Limited, and certain other promoter entities of Bhilwara Energy Limited (being group entities) are being issued shares and will consequently form part of the promoter group of HEG Limited, the promoter/promoter group shareholding of HEG Limited has increased.

Impact on the public shareholders in their rights and value of their holding in the Company:

There is no adverse impact on the rights and value of the holding of public shareholders of HEG Limited, as the share issuance pursuant to the Scheme of Arrangement is on a fair and equitable basis, determined in accordance with applicable laws and valuation reports. The public shareholders continue to hold the same class of equity shares with identical rights post implementation of the Scheme.

We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of HEG Limited ("the Company"), for the quarter and half year ended 30th September 2025 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with the listing regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Emphasis of Matter

We draw attention to the Emphasis of Matter reported in the Auditor's Review Report on Unaudited Consolidated Financial Results of Bhilwara Energy Limited (BEL), an associate of the Holding Company, which is being reproduced hereunder:

In Subsidiary NJC Hydro Power limited (NHPL)

We draw attention to Note-6 to the accompanying statement (Note 7(a) of the Unaudited Consolidated Financial Results), the project of NHPL is on hold for quite some time due to suspension of environment clearance by Hon'ble National Green Tribunal and thereafter Wildlife Institute of India (WII) in its report has mentioned that project could not be undertaken at the project site. As the project is not doable anymore, NHPL has decided not to implement the project and sought the refund of upfront premium of ₹ 25.47 crores from GoAP invoking the clauses of MoA and presently the matter is under Arbitration with GoAP.

In Subsidiary Chango Yangthang Hydro Power Limited (CYHPL)

We draw attention to Note-7 to the accompanying statement (Note 7(b) of the Unaudited Consolidated Financial Results), the company has surrendered the project due to the events beyond the control of the CYHPL. Therefore, the management of the CYHPL is of the view that the upfront premium deposited at the time of allotment amounting to ₹ 37.89 crores would be refunded by the Directorate of Energy, Government of Himachal Pradesh.

The conclusion of the auditor of the associate company is not modified in respect of matters stated above.

Our conclusion on the Unaudited Consolidated Financial Results is not modified in respect of the above matters.

The plant works intermittently during 1st quarter based upon irrigation requirement, starts operating in the 2nd quarter depending upon monsoon and continues in the 3rd quarter before tapering down in the last quarter.
7	The notes disclosed in the unaudited consolidated financial results of Bhilwara Energy Limited, one of the associate company, referred in the Auditor's Review Report of Associate under 'Emphasis of Matter' paragraph are being reproduced hereunder:
(a)	In Case of NJC Hydro Power Limited (NHPL):- The project of NHPL is on hold for quite some time due to suspension of environment clearance by Hon'ble National Green Tribunal and thereafter Wildlife Institute of India (WII) in its report has mentioned that project could not be undertaken at the project site. As per directions of Hon'ble Supreme Court, arbitration notice was sent to GoAP and have also indicated the name of arbitrator. Simultaneously, efforts were initiated to settle the issue by mutual negotiations. As the project is not doable any more, NHPL has decided not to implement the project and sought the refund of upfront premium of ₹25.47 crores from GoAP invoking the clauses of MoA and presently the matter is under litigation with GoAP. Accordingly, the Board of Directors of NHPL on dated 15th June 2022 decided to write-off Capital Work-in-Progress (CWIP) including pre-operative expenses net of waiver of loan from Holding Company (Bhilwara Energy Limited (BEL)) and charged to the statement of profit & loss (shown under exceptional items) during the year except the upfront premium paid.
(b)	In case of Chango Yangthang Hydro Power Limited (CYHPL):- The management of CYHPL is of the view that the upfront premium deposited at the time of allotment amounting to ₹37.89 crores would be refunded by the Directorate of Energy, Government of Himachal Pradesh on surrender of the project due to the events beyond the control of CYHPL.

INDEPENDENT AUDITOR'S REPORT

TO THE BOARD OF DIRECTORS OF HEG Graphite Limited

Report on the Audit of Special Purpose Ind AS Financial Statements

Opinion

We have audited the accompanying special purpose Ind AS financial statements of HEG Graphite Limited ('the Company'), which comprise the Balance Sheet as at 30 September 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and statement of cash flows for six months period ended on that date, including a summary of the material accounting policies and other explanatory information (hereinafter referred to as "the Special Purpose Ind AS Financial Statements"). As explained in note 2.1 of the special purpose Ind AS financial statements, the special purpose Ind AS financial statements include limited information and have been prepared by management of the Company in accordance with the Indian accounting Standards prescribed under section 133 of the Companies Act, 2013 ('the Act') read with Companies (Indian Accounting Standards) Rules, 2015 as amended and other accounting principles generally accepted in India, solely for submission to Securities and Exchange Board of India (SEBI) or any other regulatory authority in regard to composite scheme of arrangement amongst HEG Limited ("Demerged Company" or "Transferee Company") and HEG Graphite Limited ("Resulting Company") and Bhilwara Energy Limited ("Transferor Company") and their respective shareholders and creditors.

In our opinion and to the best of our information and according to the explanations given to us, the accompanying Special Purpose Ind AS Financial Statements have been prepared in all material aspects in accordance with the basis set out in note 2.1 of the Special Purpose Ind AS Financial Statements.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Special Purpose Ind AS Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Special Purpose Ind AS Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Special Purpose Ind AS Financial Statements.

Management's Responsibilities for the Special Purpose Ind AS Financial Statements

The Company's Board of Directors is responsible for the preparation of these Special Purpose Ind AS Financial Statements in accordance with the accounting principles generally accepted in India including the Indian accounting standards prescribed under section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015 as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Special Purpose Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Special Purpose Ind AS Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Special Purpose Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Special Purpose Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Special Purpose Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Special Purpose Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Special Purpose Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Special Purpose Ind AS Financial Statements, including the disclosures, and whether the Special Purpose Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Restriction on Distribution and Use

This report on the special purpose Ind AS financial statements is addressed to and provided to the Board of Directors of the Company solely for the limited purpose of submission to Securities and Exchange Board of India (SEBI) or any other regulatory authority in regard to composite scheme of arrangement amongst HEG Limited ("Demerged Company" or "Transferee Company") and HEG Graphite Limited ("Resulting Company") and Bhilwara Energy Limited ("Transferor Company") and their respective shareholders and creditors. Accordingly, the same should not be used for any other purpose without our prior consent in writing.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Special Purpose Interim Condensed Standalone Financial Statements have been prepared, in all material respect, in conformity with the basis of preparation as specified in Note 2 of the Special Purpose Interim Condensed Standalone Financial Statements.

Basis for Opinion

We conducted our audit of the Special Purpose Interim Condensed Standalone Financial Statements in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India (ICAI). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Special Purpose Interim Condensed Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the independence requirements that are relevant to our audit of the Special Purpose Interim Condensed Standalone Financial Statements under the provisions of the Companies Act, 2013 and the Rules made thereunder, and we have fulfilled our other responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us, is sufficient and appropriate to provide a basis for our opinion on the Special Purpose Interim Condensed Standalone Financial Statements.

Emphasis of matter – Basis of Preparation and Restriction on Distribution and Use

Without modifying our opinion, we draw attention to Note 2 to the Special Purpose Interim Condensed Standalone Financial Statements, which describes the purpose and basis of preparation. These Financial Statements have been prepared by the management of the Company, for preparation of requisite documents, including but not limited to the abridged prospectus, of the Company and/or required to be filed with regulatory authorities in relation to the ongoing scheme of Arrangement of Holding Company (Bhilwara Energy Limited) with HEG Ltd. and HEG Graphite Ltd., hence do not include all financial information and disclosures as required under Part A8 in Division II to Schedule III to the Act as amended. As a result, the Financial Statements may not be suitable for any other purpose. Our Report is intended solely for the use by the Board of Directors of the Company in connection with purpose, as stated above and should not be distributed to or used by any other parties.

Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Special Purpose Interim Condensed Standalone Financial Statements

The Company's Board of Directors is responsible for the preparation and presentation of Special Purpose Interim Condensed Standalone Financial Statements that give a true and fair view of the financial position and financial performance, changes in equity and cash flows of the Company in accordance with Ind AS 34 and other accounting principles generally accepted in India.

The Board of Directors of the Company is responsible for maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Special Purpose Interim Condensed Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Special Purpose Interim Condensed Standalone Financial Statements, the Board of Directors of the Company is responsible for assessing the ability of the entity to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Special Purpose Interim Condensed Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Special Purpose Interim Condensed Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Special Purpose Interim Condensed Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Special Purpose Interim Condensed Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

DOOGAR & ASSOCIATES

CHARTERED ACCOUNTANTS

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Special Purpose Interim Condensed Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the balance sheet date. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Special Purpose Interim Condensed Standalone Financial Statements, including the disclosures, and whether the Special Purpose Interim Condensed Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Special Purpose Interim Condensed Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Special Purpose Interim Condensed Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Special Purpose Interim Condensed Standalone Financial Statements.

We communicate with those charged with governance, among other matters, the planned scope and timing of the audit and significant audit findings, that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

INDEPENDENT AUDITOR'S REPORT

To The Board of Directors of Bhilwara Energy Limited
Report on Special Purpose Interim Condensed Consolidated Financial Statements

Opinion

We have audited the accompanying Special Purpose Interim Condensed Consolidated Financial Statements of **Bhilwara Energy Limited** ("the Parent") and its subsidiaries (the Parent and its subsidiary Companies together referred to as "the Group"), which comprise the Special Purpose Interim Condensed Consolidated Balance Sheet as at September 30th, 2025, the Special Purpose Interim Condensed Consolidated Statement of Profit and Loss (including Other Comprehensive Income / (Loss)), Special Purpose Interim Condensed Consolidated Statement of Changes in Equity and the Special Purpose Interim Condensed Consolidated Statement of Cash Flows for the six months then ended and other selective explanatory information (hereinafter referred to as "Special Purpose Interim Condensed Consolidated Financial Statements" / "the Statement").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate special purpose interim condensed financial statements, the aforesaid Special Purpose Interim Condensed Consolidated Financial Statements have been prepared, in all material respect, in conformity with the basis of preparation as specified in Note 2 of the Special Purpose Interim Condensed Consolidated Financial Statements.

Basis for Opinion

We conducted our audit of the Special Purpose Interim Condensed Consolidated Financial Statements in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India (ICAI). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Special Purpose Interim Condensed Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the independence requirements that are relevant to our audit of the Special Purpose Interim Condensed Consolidated Financial Statements under the provisions of the Companies Act, 2013 and the Rules made thereunder, and we have fulfilled our other responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in "Other Matter" section below, is sufficient and appropriate to provide a basis for our opinion on the Special Purpose Interim Condensed Consolidated Financial Statements.

Emphasis of matter –Basis of Preparation and Restriction on Distribution and Use

We draw attention to Note 2 to the Special Purpose Interim Condensed Consolidated Financial Statements, which describes the purpose and basis of preparation. These Financial Statements have been prepared by the management of the Company, for preparation of requisite documents, including but not limited to the abridged prospectus, of the Company and/or required to be filed with regulatory authorities in relation to the ongoing scheme of Arrangement of Holding Company (Bhilwara Energy Limited) with HEG Ltd. and HEG Graphite Ltd., hence do not include all financial information and disclosures as required under IND AS or Division II to Schedule III to the Act as amended). As a result, the Financial Statements may not be suitable for any other

purpose. Our Report is intended solely for the use by the Board of Directors of the Company in connection with purpose, as stated above and should not be distributed to or used by any other parties.

Our opinion is not modified in respect of this matter.

Emphasis of matter**A. In Subsidiary NJC Hydro Power limited (NHPL)**

We draw attention to Note-45(v) to the accompanying statement, the project of NHPL is on hold for quite some time due to suspension of environment clearance by Hon'ble National Green Tribunal and thereafter Wildlife Institute of India (WII) in its report has mentioned that project could not be undertaken at the project site. As the project is not doable anymore, NHPL has decided not to implement the project and sought the refund of upfront premium of ₹2,546.80 Lakhs from GoAP invoking the clauses of MoA and presently the matter is under Arbitration with GoAP.

B. In Subsidiary Chango Yangthang Hydro Power Limited (CYHPL)

We draw attention to Note-45(vi) to the accompanying statement, the company has surrendered the project due to the events beyond the control of the CYHPL. Therefore, the management of the CYHPL is of the view that the upfront premium deposited at the time of allotment amounting to ₹3,789.45 Lakhs would be refunded by the Directorate of Energy, Government of Himachal Pradesh.

Our opinion is not modified in respect of the matters mentioned in "para A and B" above.

Other Matters

We did not audit the Special Purpose Interim Condensed Financial Statements of 7 Subsidiaries(Including step down subsidiary), whose special purpose interim condensed financial statements reflect total assets of ₹ 1,81,626 lacs as at 30th September, 2025 and total revenues of ₹34,794 lacs for the period ended on 30th September, 2025, as considered in the Special Purpose Interim Condensed Consolidated Financial Statements. These special purpose interim condensed financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the Special Purpose Interim Condensed Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on the reports of the other auditors.

Our opinion on the Special Purpose Interim Condensed Consolidated Financial Statements, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and financial statements certified by the Management.

Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Special Purpose Interim Condensed Consolidated Financial Statements

The Company's Board of Directors is responsible for the preparation and presentation of Special Purpose Interim Condensed Consolidated Financial Statements that give a true and fair view of the financial position and financial performance, changes in equity and cash flows of the Group in accordance with Ind AS 34 and other accounting principles generally accepted in India.

The Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of

CONTINUATION SHEET.....

appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Special Purpose Interim Condensed Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Special Purpose Interim Condensed Consolidated Financial Statements, the Board of Directors of the companies included in the Group are responsible for assessing the ability of the entity to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Special Purpose Interim Condensed Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Special Purpose Interim Condensed Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Special Purpose Interim Condensed Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Special Purpose Interim Condensed Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Special Purpose Interim Condensed Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the balance sheet date. However, future events or conditions may cause the Group to cease to continue as a going concern.

DOOGAR & ASSOCIATES

CHARTERED ACCOUNTANTS

- Evaluate the overall presentation, structure and content of the Special Purpose Interim Condensed Consolidated Financial Statements, including the disclosures, and whether the Special Purpose Interim Condensed Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Special Purpose Interim Condensed Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Special Purpose Interim Condensed Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Special Purpose Interim Condensed Consolidated Financial Statements.

We communicate with those charged with governance of the Parent and such other entity included in the Special Purpose Interim Condensed Consolidated Financial Statements of which we are independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

(ii) In case of MPCL

- a) Claims against the MPCL raised by income tax authorities amounting to ₹213.87 Lakhs (Previous year ₹213.87 Lakhs). No provision is considered necessary since the MPCL expects favorable decisions.
- b) On April 27, 2019, the MPCL received a provisional net demand of ₹8,069.00 Lakhs in relation to wheeling charges for the period 01 April 2008 to 31 March 2019 from Himachal Pradesh State Electricity Board Limited (HPSEBL) based on an order passed by the Himachal Pradesh Electricity Regulatory Commission (HPERC). In this regard, the Company has paid under protest an amount of ₹2,817.00 Lakhs and had filed an appeal before Appellate Tribunal for Electricity (APTEL) on 24 April 2019, at New Delhi which is to be heard and settled. In the meantime, APTEL vide order dated 11 December 2023 directed to deposit further amount of ₹1,218.00 Lakhs with HPSEBL in order to make a total deposit equal to 50% of the demand in arrears. Accordingly, the MPCL has deposited the additional amount of ₹1,218.00 Lakhs on 05 January 2024 and the aggregate amount deposited as at 31 December 2024 is ₹4,035.00 Lakhs.

During the previous year, HPERC vide Order dated 30 November 2022 determined the voltage wise wheeling charges for the period 01 July 2019 to 31 October 2022. MPCL Based on the legal opinion obtained, had created provision of ₹1,331.00 Lakhs during the previous years related to wheeling charges from April 1, 2008 to June 30, 2019.

During the current year, APTEL vide its order dated November 21, 2024 dismissed the appeal filed by the MPCL challenging the order dated March 30, 2019 passed by HPERC. The MPCL filed an appeal against the order of APTEL with application for stay of the order of the APTEL before the Hon'ble Supreme Court of India on December 16, 2024.

On January 17, 2025, the Hon'ble Supreme Court of India dismissed the appeal filed by the MPCL challenging the order of APTEL dated November 21, 2024 as the court did not find any ground and reason to interfere the impugned judgement of APTEL. Subsequent to the decision of Hon'ble Supreme Court of India, the MPCL has provided for wheeling charges of ₹6,738.00 Lakhs and interest on late payment of wheeling charges ₹2,533.00 Lakhs up-to December 31, 2024 (based on differential bill along with interest received from HPERC) during the year ended March 31, 2025.

(iii) In case of ADHPL*

Particulars	As at September 30, 2025	As at March 31, 2025
Claims against ADHPL not acknowledged as debt:		
-Demand under Local Area Development Fund (LADF) from Directorate of Energy, Government of Himachal Pradesh (refer note (b) below)	1,427.00	1,427.00
-Demand raised by Directorate of fisheries. Himachal Pradesh (refer note (c) below)	64.75	64.75

*AD Hydro Power Limited (ADHPL) believes that these claims/demands are not probable to be decided against ADHPL and therefore, no provision for the above is required.

- a) During the financial year 2012–13, the Cess Assessing Officer vide order dated January 23, 2013, raised a demand of ₹1459.58 Lakhs on the ADHPL under the Building and Other Construction Workers Welfare Cess Act, 1996 ("BOCW Act") for the period from January 1, 2005, to July 31, 2012.

Based on legal advice, the ADHPL believed that the liability to pay Cess under the BOCW Act arises only for the period from December 8, 2008 (the date on which the relevant rules were notified) to July 1, 2010 (the date prior to which the ADHPL was not covered under the Factories Act, 1948). Accordingly, the ADHPL contended that no Cess was payable for the period prior to December 8, 2008 and the demand raised lacks legal basis.

The Cess amount, as determined by the ADHPL based on its interpretation and legal advice, was already been paid and appropriately accounted for in the books.

A writ petition was filed before the Hon'ble High Court of Himachal Pradesh challenging the aforesaid demand. Pursuant to a hearing on February 28, 2013, an interim stay was granted on the demand. Subsequently, by an order dated March 27, 2024, the Hon'ble High Court quashed and set aside the Assessing Officer's order dated January 23, 2013, and directed the Assessing Authority to re-assess the Cess liability.

During the year ended March 31 2025, the Assessing Officer completed the reassessment regarding the Cess payable under the provisions of Buildings and Other Construction Workers Welfare Cess Act, 1996 for the period December 08, 2008, to March 31, 2012, and computed the final demand of ₹228.00 Lakhs out of which company have already paid ₹152.00 Lakhs in previous year and balance demand of ₹76.00 Lakhs was duly paid by the ADHPL in the year.

- b) During the year ended March 31, 2006, Directorate of Energy (DOE) of Himachal Pradesh had raised a demand of ₹ 1,427.00 Lakhs on the ADHPL towards Local Area Development Fund (LADF) which was determined considering 1.5% of the final cost of the project of the ADHPL of ₹ 1, 60,700.00 Lakhs. The determination was based upon the guidelines issued on LADF activities by Government of Himachal Pradesh in December 11, 2006 and as amended in October 05, 2011. However, the management is of the view that the amount should be computed @ 1.5% of the total capital cost as reflected in Detailed Project Report of the ADHPL i.e. ₹ 92,200.00 Lakhs in terms of agreement dated November 05, 2005 entered with the Government of Himachal Pradesh. Further, the DOE had not considered the total amount incurred and deposited by the ADHPL aggregating to ₹1,423.00 Lakhs. Had there been considered/computed appropriately, the above demand would not arise. Management is of the view that the ADHPL has complied with the conditions agreed in terms of the agreement dated November 05, 2005 with Government of Himachal Pradesh which is prior to the date of guidelines issued in 2006 and thus no additional provision is required. Currently this matter is being contested before High Court of Himachal Pradesh on which stay has been granted on the said demand. Management is of the view that no provision is deemed necessary in the financial statements in this regard.
- c) During the year ended March 31, 2013, the Department of Fisheries directed the ADHPL to pay an amount of ₹100.00 Lakhs for granting of No Objection Certificate (NOC) for setting up Hydro Power Project in the state of Himachal Pradesh as per the requirements of HP State Pollution Control Board. The ADHPL had filed a Writ Petition in the Hon'ble High Court of Himachal Pradesh against the said demand and based on the directive of Hon'ble High Court of Himachal Pradesh has deposited ₹35.00 Lakhs to Department of Fisheries.

Management is of the view that the ADHPL is not covered under the negative list under the policy norms issued in 2008 by the Fisheries Department for issuance of NOC in setting up the Power Project in the state of Himachal Pradesh and thus the above said demand is not tenable hence no provision is required. However, the ADHPL had written off the deposit amount as there is no movement in this case for more than 5 years and has disclosed the balance of ₹64.75 Lakhs as contingent liabilities.

- d) The ADHPL is subject to certain legal proceedings and claims, which have arisen in the ordinary course of business, for the lands and right to use lands acquired by it and recovery suits filed by various parties. These cases are pending with various courts. After considering the circumstances and legal advice received, the management believes that the chances to decide the case against the ADHPL is remote and thus these cases will not have any material impact on the financial statements and no provision is required.
- e) In previous years, the ADHPL had received a demand of ₹5,833.00 Lakhs from Central Transmission Utility of India Limited ("CTUIL") in relation to relinquishment charges for surrender of Long-Term Access rights with Power Grid Corporation of India Limited. During the year, Interim Application for stay directions was filed by the ADHPL.

On August 29, 2024 CERC stayed the invoice of ₹5,833.00 Lakhs raised by CTUIL and directed the Company to deposit ₹1,544.00 Lakhs being the amount calculated on the basis of last determined on "All India Minimum PoC Rates" subject to final outcome of the matter. The ADHPL had deposited the amount as directed by CERC.

Based on the management's assessment supported by opinion of legal counsel, the management is of the view that the Company will not be subject to any further liability.

(iii) In case of MPCL:

- a) In July 2023 and in August 2024, Himachal Pradesh (H.P.) had witnessed unprecedented rainfall resulting in flash floods and landslides across many districts of H.P. including Kullu which led to severe disruption in the business operations during these periods and damage to assets of the Company at the plant. The Company is insured for damage of assets and loss on account of "Business Interruption" ("BI"). The Company has filed claims with the insurance company for damage of assets and BI.

During the current period, the Company has received on account payment of ₹ 2 245.00 Lakhs from the Insurance Company against the claim filed by the Company pertaining to the loss caused by floods in August 2024. The management is of the view, supported by confirmation from the insurance broker, that the on account payment received is part settlement of the claim and has accordingly disclosed the same as Other Income in the Statement of Unaudited Special Purpose Interim Consolidated Financial Results for the half year ended September 30, 2025.

- b) In August 2025, Himachal Pradesh experienced unprecedented flash floods and landslides across multiple districts, including Kullu which led to severe disruption in business operations and caused significant damage to the Company's assets at its plant location. The Company is currently assessing the extent of the losses incurred due to the flash floods. Based on best estimate, the management has determined loss to property, plant and equipment and capital work-in-progress and has accordingly written off property, plant and equipment and capital work-in-progress aggregating to ₹ 1, 241.00 Lakhs.

The Company is insured for damage of assets and loss on account of "Business Interruption" ("BI"). The Company is in process of filling the claim with the insurance company for damage of assets and BI and will account for the insurance claim on its determination by the insurance Company.

(iv) In case of ADHPL:

- a) In July 2023, Himachal Pradesh (H.P.) had witnessed unprecedented rainfall resulting in flash floods and landslides across many districts of H.P. including Kullu which led to severe disruption in the business operations during these periods and damage to assets of the ADHPL at the plant. The ADHPL is insured for damage of assets and loss on account of "Business Interruption" ("BI"). The ADHPL has filed claims with the insurance company for damage of assets and BI.

During the current period, the ADHPL has received on account payment of ₹ 150.00 Lakhs (Previous year - ₹Nil) crores from the Insurance Company against the claim filed by the Company. The management is of the view, supported by confirmation from the insurance broker, that the on account payment received is part settlement of the claim and has accordingly disclosed the same as "Insurance claim received" in Other Income in the Special Purpose Interim Condensed Statement of Profit and Loss for the half year ended September 30, 2025.

b) Dispute related to parties using the transmission line

During the earlier years, the ADHPL had raised invoices to parties using the dedicated transmission system of the ADHPL based on capital cost of ₹ 41,661.00 Lakhs in terms of Interim Agreement with the parties. Subsequently, Central Electricity Regulatory Commission ('CERC') vide order dated October 17, 2019, approved the capital cost of Transmission System at ₹ 23,892.00 Lakhs as against the capital cost submitted by the ADHPL of ₹ 41,661.00 Lakhs [on the date of commercial operation date ('COD')]/ ₹ 45,284.00 Lakhs (with additional capitalization).

In October 2019, the ADHPL had challenged the CERC order before Appellate Tribunal for Electricity ('APTEL'). On October 31, 2022, the ADHPL had received order from APTEL, wherein the transmission system of the Company was declared as deemed Inter-State Transmission System (ISTS system) with retrospective effect and remanded the case to CERC for calculation of transmission tariff based on Point of Connection ("POC") mechanism. Further, on April 13, 2023, the ADHPL has received order from CERC, wherein the transmission charges of ISTS system are to be paid through POC pool. Further, on August 31, 2023, APTEL has set aside the CERC order dated October 17, 2019.

During the year, the ADHPL has recognized revenue from transmission line based on interim tariff approved by CERC which is based on capital cost of ₹ 36,228.00 Lakhs (i.e. 80% of the capital cost claimed by the ADHPL).

Based on the management's assessment, the matter related to the capital cost is sub-judice and pending adjudication, hence in absence of certainty on the outcome of the matter, the ADHPL will recognize revenue from transmission line for the period August 09, 2011 to April 12, 2023 as and when determined by CERC.

(v) In case of NHPL:

- a) The project of NHPL is on hold for quite some time due to suspension of environment clearance by Hon'ble National Green Tribunal and thereafter Wildlife Institute of India (WII) in its report has mentioned that project could not be undertaken at the project site.

As the project is not doable any more, NHPL has decided not to implement the project and sought the refund of upfront premium of ₹ 2,546.80 Lakhs from GoAP invoking the clauses of MoA and presently the matter is under Arbitration with GoAP.

- b) Consequent upon the Order passed by the Hon'ble National Company Law Tribunal, New Delhi Court III on 21st August, 2024, under section 66 of the Companies Act, 2013 read with National Company Law Tribunal (Procedure for Reduction of Share Capital of Company) Rules, 2016, the issued, subscribed and paid up equity share capital of the company has been reduced from ₹ 100,00,00,000 (Rupees One Hundred Crores) divided into 10,00,00,000 Equity shares of ₹ 10/- each to ₹ 5,00,000 (Rupees Five Lakhs) divided into 50,000 Equity shares of ₹10/- (₹ Ten) each.

(vi) In case of CYHPL:

- a) The management is of the view that there is no reasonable or virtual certainty to recognise the deferred tax asset as the company has surrendered the project therefore as on date there is no probability of any taxable profit in future that will be available for the deferred tax assets to be utilised. Therefore, the company has not recognised deferred tax assets.
- b) Due to various socio-legal issues and non-availability of the clearances from the appropriate authorities, the Board of Directors decided to surrender the project. Accordingly, the company vide its letter dated 11th July 2017 to Directorate of Energy, Govt. of Himachal Pradesh surrendered the project and demanded refund of the entire upfront premium and security deposit paid on the project along with interest.

The management is confident of recovering fully the upfront premium and security deposit. The Company is in constant follow up with GoHP for refund of money.

APPROACH & METHODOLOGY - BASIS OF TRANSACTION

The proposed Scheme of Arrangement contemplates (i) Demerger of Graphite Business from HEG into Resulting Company; and (ii) merger of BEL with HEG (excluding Graphite Business).

To opine on the Share Entitlement Ratio for Transaction 1, we have considered the impact of Transaction 1 (i.e. demerger) on the economic beneficial interest of the equity shareholders of HEG.

To arrive at the Share Exchange Ratio for Transaction 2, we have determined the valuation of HEG (excluding Graphite Business) and BEL on a relative basis, based on different valuation approaches explained here below, and considered qualitative factors relevant to the respective companies.

There are several commonly used and accepted valuation approaches for determining the value of shares of a company/ business, which have been considered in the present case, to the extent relevant and applicable:

1. Asset Approach - Net Asset Value (“NAV”) Method
2. Income Approach
 - Discounted Cash Flow (“DCF”) Method
3. Market Approach
 - Market Price Method
 - Comparable Companies’ Multiples (“CCM”) Method
 - Comparable Companies’ Transaction Multiples (“CTM”) Method

Asset Approach - Net Asset Value method

The asset-based valuation technique is based on the value of the underlying net assets of the business, either on a book value basis or realizable value basis or replacement cost basis. This valuation approach is mainly used in cases where the firm is to be liquidated i.e., it does not meet the ‘going concern’ criteria or in case where the assets base dominates earnings capability. A Scheme of Amalgamation would normally be proceeded with, on the assumption that the companies/ business would continue as going concerns and an actual realization of the operating assets is not contemplated. In such a going concern scenario, the relative earning power is of importance to the basis of amalgamation, with the values arrived at on the net asset basis being of limited relevance.

Income Approach (Discounted Cash Flows (DCF) Method)

Under the DCF method the projected free cash flows to the firm are discounted at the weighted average cost of capital. The sum of the discounted value of such free cash flows is the value of the firm.

Using the DCF analysis involves determining the following:

Estimating future free cash flows:

Free cash flows are the cash flows expected to be generated by the company/ business that are available to all providers of the companies’/ business’ capital – both creditors and shareholders.

Appropriate discount rate to be applied to cash flows i.e., the cost of capital:

This discount rate, which is applied to the free cash flows, should reflect the opportunity cost to all the capital providers (namely shareholders and creditors), weighted by their relative contribution to the total capital of the company/ business. The opportunity cost to the capital provider equals the rate of return the capital provider expects to earn on other investments of equivalent risk.

Market Approach

Under this approach, value of a company is assessed basis its market price (i.e. if its shares are quoted on a stock exchange) or basis multiples derived using comparable (i.e. similar) listed companies or transactions in similar companies. Following are the methods under Market Approach:

- **Market Price (“MP”) Method**

The market price of an equity share as quoted on a stock exchange is normally considered as the value of the equity shares of that company where such quotations are arising from the shares being regularly and freely traded in, subject to the element of speculative support that may be inbuilt in the value of the shares. But there could be situations where the value of the share as quoted on the stock market would not be regarded as a proper indicator of the fair value of the share especially where the market values are fluctuating in a volatile capital market or when the shares are thinly traded. Further, in the case of amalgamation, where there is a question of evaluating the shares of one company against those of another, the volume of transactions and the number of shares available for trading on the stock exchange over a reasonable period would have to be of a comparable standard.

- **Comparable Companies’ Multiple (“CCM”) method**

Under this method, value of a business / company is arrived at by using multiples derived from valuations of comparable companies, as manifest through stock market valuations of listed companies. The market price, as a ratio of the comparable company’s attribute such as sales, capital employed, earnings, etc. is used to derive an appropriate multiple. This multiple is then applied to the attribute of the asset being valued to indicate the value of the subject asset. This valuation is based on the principle that market valuations, taking place between informed buyers and informed sellers, incorporate all factors relevant to valuation. Relevant multiples need to be chosen carefully and adjusted for differences between the circumstances.

- **Comparable Companies’ Transaction Multiples (“CTM”) Method**

Under this method, value of the equity shares of a company is arrived at by using multiples derived from valuations of comparable transactions. This valuation is based on the principle that transactions taking place between informed buyers and sellers, incorporate all factors relevant to valuation. Relevant multiples need to be chosen carefully and adjusted for differences between the circumstances.

It should be understood that the valuation of any company or its assets is inherently imprecise and is subject to certain uncertainties and contingencies, all of which are difficult to predict and are beyond our control. In performing our analysis, we made numerous assumptions with respect to industry performance and general business and economic conditions, many of which are beyond the control of the Companies. In addition, this valuation will fluctuate with changes in prevailing market conditions, the conditions and prospects, financial and otherwise, of the Companies, and other factors which generally influence the valuation of the above companies and their assets.

The application of any particular method of valuation depends on the purpose for which the valuation is done. Although different values may exist for different purposes, it cannot be too strongly emphasized that a valuer can only arrive at one value for one purpose. Our choice of methodology of valuation has been arrived at using usual and conventional methodologies

adopted for transactions of a similar nature and our reasonable judgment, in an independent and bona fide manner based on our previous experience of assignments of a similar nature.

Out of the above, we have used approaches / methods, as considered appropriate. The valuation approaches/ methods used, and the values arrived at using such approaches/ methods by us have been tabled in the next section of this Report.

SHARE ENTITLEMENT RATIO FOR DEMERGER (TRANSACTION 1)

We understand from the Scheme that upon demerger of Graphite Business from HEG into the Resulting Company, the Management proposes to issue 1 equity share of HEG Graphite Limited (of INR 2 each fully paid up) to all the equity shareholders of HEG, in lieu of 1 equity share of HEG (of INR 2 each fully paid up).

The proposed demerger shall entail allotment of equity shares of the HEG Graphite Limited to all the equity shareholders of HEG, on a proportionate basis, and all equity shareholders of HEG shall be the beneficial economic interest owners of the Resulting Company, i.e. Shareholding pattern of HEG Graphite Limited shall mirror the shareholding pattern of HEG.

We believe that the proposed Share Entitlement Ratio does not affect the beneficial economic ownership of the existing shareholders of HEG and can be deemed fair and reasonable from a commercial point of view.

BASIS OF SHARE EXCHANGE RATIO (TRANSACTION 2)

In the ultimate analysis, valuation will have to be arrived at by the exercise of judicious discretion by the Valuer and judgment taking into account all the relevant factors. There will always be several factors, e.g., present and prospective competition, yield on comparable securities and market sentiment, etc. which are not evident from the face of the balance sheets, but which will strongly influence the worth of a share.

The determination of a fair share exchange ratio is not a precise science and the conclusions arrived at in many cases will, of necessity, be subjective and dependent on the exercise of individual judgement. This concept is also recognized in judicial decisions. There is, therefore, no indisputable single fair share exchange ratio. While we have provided our recommendation of the fair Share Exchange Ratio based on the information available to us and within the scope and constraints of our engagement, others may have a different opinion as to the fair Share Exchange Ratio of the equity shares of HEG (excluding Graphite Business) and BEL. The final responsibility for the determination of the exchange ratio at which the Transaction 2 shall take place will be with the Board of Directors of Client who should consider other factors such as their own assessment of the Transaction 2 and input of other advisors.

The fair Share Exchange Ratio has been arrived at on the basis of the equity valuation (on a per share basis) of HEG (excluding Graphite Business) and BEL on a relative basis considering the various methodologies explained herein earlier and various qualitative considered relevant to each company and the business dynamics and growth potentials of the businesses of these companies, having regard to information base, key underlying assumptions, and limitations.

In the current analysis, the amalgamation of BEL with HEG (excluding Graphite Business) is proceeded with on the assumption that BEL and HEG (excluding Graphite Business) would amalgamate as going concerns and actual realization of the operating assets for BEL and HEG (excluding Graphite Business) is not contemplated. In such a going concern scenario, the relative earning power, as reflected under the Income and Market approaches, is of greater importance to the basis of amalgamation, with the values arrived at on the net asset basis being of limited relevance.

Given the nature of the businesses of HEG (excluding Graphite Business) and BEL and the fact that we have been provided with projected financials for each of the HEG (excluding Graphite Business) segments (including subsidiaries and associates) and each of BEL segments (including subsidiaries and associates), we have considered it appropriate to apply the DCF Method under the Income Approach to arrive at the value of the equity shares of HEG (excluding Graphite Business) and BEL on a relative basis for the purpose of arriving at the fair Share Exchange Ratio.

Within the DCF Method, equity value per share for HEG (excluding Graphite Business) and BEL is computed as follows:

- Equity values for each of the businesses comprising HEG (excluding Graphite Business) (i.e. investments in subsidiaries and associates) have been computed separately using the DCF Method and adjusted for the value of cash and cash equivalents and surplus assets as appearing in the balance sheet as at 31 December 2024 to arrive at the equity value of HEG (excluding Graphite Business). To arrive at the price per equity share of HEG (excluding Graphite Business), we have considered the total issued and paid up equity shares of HEG as at 10 March 2025.
- Equity values for each of the businesses comprising BEL segments (including subsidiaries and associates) is computed separately using DCF Method and adjusted for debt & debt like items, cash and cash equivalents and surplus assets as appearing in the balance sheet as at 31 December 2024 to arrive at the equity value of BEL. To arrive at the price per equity share of BEL, we have considered the total issued and paid up equity shares of BEL as at 10 March 2025. Should not we document that preferential allotment not being considered

In the present case, the equity shares of HEG Limited are listed on NSE and BSE. However, pursuant to Transaction 1, the Graphite Business shall be demerged from HEG into Resulting Company and hence, MP Method cannot be used for the valuation of HEG (excluding Graphite Business). The equity shares of BEL are not listed on any stock exchanges and hence MP Method cannot be used for the valuation of BEL.

Considering the absence of strictly comparable companies to the nature and stage of operations of each of the investee companies of HEG (excluding Graphite Business) and BEL, we have not considered the CCM Method.

We understand HEG acquired the remaining 61.4% equity stake in Bhilwara Infotechnology Limited as on 09 December 2024. Accordingly, we have considered the transaction price for the purpose of our analysis. Further, CTM Method was not applied to the Companies and other investee companies owing to the absence of strictly comparable transactions and paucity of publicly available data on transactions in the relevant industry.

Accordingly, for our final analysis and recommendation, we have relied primarily on the Income Approach to arrive at the value of equity shares of HEG (excluding Graphite Business) and BEL on a relative basis for the purpose of the Transaction 2.

The basis of the proposed amalgamation would have to be determined after taking into consideration all the factors and methodologies mentioned hereinabove. It is important to note that we are not attempting to arrive at the absolute equity values of HEG (excluding Graphite Business) and BEL but at their relative values to facilitate the determination of a fair Share Exchange Ratio for Transaction 2.

We have applied methods discussed above, as considered appropriate, and arrived at their assessment of the values per equity share of HEG (excluding Graphite Business) and BEL on a relative basis. To arrive at the Share Exchange Ratio for Transaction 2, suitable minor

adjustments/ rounding off have been done in the relative values for arriving at the recommended swap ratio.

In view of the above, considering the relevant facts and circumstances detailed in this Report, the table below summaries the workings pertaining to the value per share of the Transferor Company and Transferee Company for Transaction 2 on a relative basis as derived by us.

Valuation Approach	HEG (excluding Graphite Business)		BEL	
	Value per Equity Share (INR)	Weight	Value per Equity Share (INR)	Weight
Income Approach - DCF Method	120.3	100.0%	141.8	100.0%
Market Approach	NA	0.0%	NA	0.0%
Asset Approach – NAV	61.2	0.0%	69.7	0.0%
Value per Share	120.3		141.8³	

NA – Not Applicable

This space has been left blank intentionally

³ We understand that the Board of Directors of BEL has approved the first tranche of investment of ~INR 250 Crores (at a per share value of INR 142.08) as of 10 March 2025. We further understand that the proposed preferential issue is subject to receipt of shareholders and other regulatory approvals. We note that the preferential issue price per equity share of INR 142.08 is in close proximity to the relative value per share of BEL of INR 141.8 as assessed by us.

Floor Price for HEG (excluding Graphite Business)

Considering the value per equity share of HEG (excluding Graphite Business) of INR 120.3 as stated above and the value per equity share of INR 393.4 for Graphite Business (refer our report of 10 March 2025⁴ for the value per equity share of Graphite Business), the total value per equity share for HEG Limited is INR 513.7. Accordingly, the proportion of Transferee Company i.e. HEG (excluding Graphite Business) is ~23.4% of the overall value of HEG Limited, with the remaining 76.6% pertaining to the Graphite Business.

As per Section 164 of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 ("SEBI ICDR"), the price per equity share of HEG based on the higher of a) 10 trading days and b) 90 trading days volume weighted average price ("VWAP") as of 7 March 2025 i.e. preceding the relevant date of 10 March 2025 is INR 529.6.

Applying the percentage value contributed by HEG (excluding Graphite Business) of ~23.4% to the price per equity share of HEG, derived as the higher of 10 trading days and 90 trading days VWAP, the adjusted floor price applicable to Transferee Company i.e. HEG (excluding Graphite Business) is concluded as INR 124.0.

Valuation Approach	HEG (excluding Graphite Business)		BEL	
	Value per Equity Share (INR)	Weight	Value per Equity Share (INR)	Weight
Value per Share	120.3	0.0%	141.8	100.0%
Floor Price per Share	124.0	100.0%	NA	0.0%
Concluded Value per Share	124.0		141.8	

Considering the floor price of HEG (excluding Graphite Business) of INR 124.0 is higher than the value of HEG (excluding Graphite Business) of INR 120.3, we have considered the floor price of HEG (excluding Graphite Business) for the purpose of arriving at the recommendation of the Share Exchange Ratio.

In light of the above, and on a consideration of all the relevant factors and circumstances as discussed and outlined hereinabove, we recommend the following fair Share Exchange Ratio:

- **8 equity shares of HEG (excluding Graphite Business) (of INR 2 each fully paid up) for every 7 equity shares of BEL (of INR 10 each fully paid up).**

We understand from the management of HEG that the Board of Directors of BEL has approved raising funds from a third-party investor by way of a preferential issue of equity shares in BEL in accordance with the provisions of the Companies Act, 2013 ("Proposed Fund Raise"). The Management has represented that the Stock Exchanges have asked the Company to submit the modified scheme, opinion on the share entitlement ratio, recommendation of the fair share exchange ratio as at the current date and a Fairness Opinion on the Share Entitlement / Exchange Ratios recommended by the Registered Valuers.

Given the above, in terms of our engagement with HEG dated February 24, 2025, HEG has requested I-Sec to provide a fairness opinion to the Board of Directors of HEG on the fresh Share Entitlement / Exchange Ratios recommended by the Registered Valuers for the proposed Modified Composite Scheme of Arrangement (**Modified Scheme**), pursuant to Section 230 to 232 and other applicable provisions of Companies Act, 2013 (Act).

BACKGROUND, PURPOSE AND USE OF THIS FAIRNESS OPINION

HEG is a leading manufacturer and exporter of graphite electrodes in India and operates world's largest single-site integrated graphite electrodes plant. It also operates three power generation facilities with a total capacity of about 76.5 MW. Its equity shares are listed on the BSE Limited and NSE.

HEG Graphite Limited (HEG Graphite), a company incorporated under the provisions of the Act, is a wholly owned subsidiary of HEG and has a nominal share capital and currently does not have any operations.

BEL is a company incorporated under the provisions of the Companies Act, 1956, engaged in the business of establishment, operation and maintenance of power generating stations and tie-lines, sub-

stations and main transmission lines connected therewith. Currently, it is engaged in generation of wind power through 14 MW wind power project situated in Maharashtra.

HEG and BEL are hereinafter jointly referred to as the “Companies”

We understand that the Modified Scheme contemplates the following steps:

- (i) Demerger of Graphite business of HEG into HEG Graphite (“Demerger”);
- (ii) Merger of BEL into HEG (“Merger”)

The Company has appointed PwC Business Consulting Services LLP (“PwC”) as Registered Valuer to determine and recommend the Share Entitlement / Exchange Ratio for the Modified Scheme, on a going concern basis with 7 March 2025 being the valuation date. In this connection, pursuant to the requirements of SEBI Master Circular SEBI/HO/CFD/POD-2/P/CIR/2023/93 dated 20 June 2023, we have been requested by the Board of Directors of HEG to render an opinion on whether the Share Entitlement / Exchange Ratio determined and recommended by the Registered Valuers vide their report dated 10 March 2025, is fair.

The Registered Valuer has recommended the following Share Entitlement / Exchange Ratios for the steps contemplated in the Modified Scheme:

Share Entitlement Ratio for Demerger:

“1 equity share of HEG Graphite (of INR 2 each fully paid up) for every 1 equity share of HEG (of INR 2 each fully paid up).”

Share Exchange Ratio for Merger:

“8 equity shares of HEG (excluding Graphite Business) (of INR 2 each fully paid up) for every 7 equity shares of BEL (of INR 10 each fully paid up).”

The aforesaid Share Entitlement / Exchange Ratios for Demerger and Merger are collectively referred to as “Ratios”.

Rationale for changes:

HEG / Company:

There has been a change in the shareholding pattern of the Company between the period from filing of the Draft Scheme and the issuance of the Notice to Shareholders, on account of acquisition of shares by members of the Promoter Group from the open market. Such acquisitions were made in compliance with applicable laws and regulations.

BEL / Transferor Company:

The change in shareholding pattern of the Transferor Company between the period from filing of the draft Scheme and issuance of this Notice to Shareholders is attributable due to:

- (i) the induction of new investors, as stated in Clause 17.10 of the Scheme. This was undertaken to strengthen the Transferor Company's capital base and enhance its financial flexibility, enabling the Transferor Company to pursue growth opportunities and strategic initiatives more effectively; and
- (ii) Further, Redrose Vanijya LLP, a shareholder of the Transferor Company forming part of the promoter/promoter Group had transferred part of its shareholding to Clearfield Consulting LLP, which is not related to promoter / promoter group.

The process has been carried out in compliance with all relevant regulatory requirements.

Dear Sirs,

1. This Certificate is issued in accordance with the terms of our engagement letter dated 6th February 2026 with HEG Limited (hereinafter the "Company" or "Demerged Company" or "Transferee Company").

Dear Sirs,

We refer to our engagement letter dated 22 May 2024 and subsequent amendment dated 10 March 2025 whereby HEG Limited ("HEG" or "Demerged Company" or "Transferee Company") and Bhilwara Energy Limited ("BEL" or "Transferor Company") (together referred to as the "Clients" or the "Companies") had appointed us to provide Share Exchange Ratio ("SER") report for the Proposed Transactions (as defined hereinafter).

We understand that pursuant to the proposed composite scheme of Arrangement ("Scheme"), the following transactions are proposed (together referred to as "Proposed Transactions") under the provisions of Sections 230 to 232 of the Companies Act, 2013, other applicable laws and rules issued thereunder, as may be applicable:

- **Step I:** Demerger of the Graphite Business ("Demerged Undertaking") ("Transaction 1") from the Demerged Company into HEG Graphite Limited ("Resulting Company") on a going concern basis and issue of equity shares by the Resulting Company to the shareholders of the Demerged Company, in consideration thereof. Post demerger, the shares of the Resulting Company will be listed on the Indian Stock Exchanges. Further, we understand from the management of Clients ("Management") that the Scheme complies with the definition of demerger as per section 2(19AA) and other provisions of the Income Tax Act.
- **Step II:** Amalgamation of BEL with HEG Limited (post the demerger of Graphite Business as indicated in Step I above) ("Transaction 2").

Accordingly, we have completed our procedures and submitted the SER report providing our opinion on the share entitlement ratio for Transaction 1 and recommendation of the fair share exchange ratio for Transaction 2 on 10 March 2025.

We are a firm of registered valuers and are bound to keep the data provided by our client confidential. Dear Sir/Madam

The rationale and benefits arising out of the Scheme to the shareholders (including public shareholders) and as mentioned in the Scheme is reproduced below:

1. Over the course of time, core businesses of the Demerged Company viz., manufacturing graphite electrodes (including other carbon products) and generation of thermal and hydel power have acquired critical mass. Each of the said businesses require flexibility and independence to grow faster in the fast-changing technology and innovation driven environment.
2. Each of the core businesses mentioned above has a differentiated strategy, different industry specific risks and operate *inter alia* under different market dynamics and growth trajectory. The nature and competition involved in each of the businesses is distinct from others and consequently each business or undertaking is capable of attracting a different set of investors, strategic partners, lenders and other stakeholders. Further, it is important to create a structure which is amenable for future growth keeping in view different growth trajectory for each business segment.
3. In view thereof, it is proposed to segregate the core businesses of the Demerged Company pursuant to the Scheme. The said segregation, is expected, *inter alia*, to result in following benefits:
 - (a) unlocking the value of each of the businesses for the shareholders of the Demerged Company, attracting different sets of investors, strategic partners, lenders and other stakeholders having a specific interest in the respective businesses and providing better flexibility in accessing capital;
 - (b) segregating different businesses having different risk and return profiles, and providing investors with better flexibility to select investments which best suit their investment strategies and risk profile;
 - (c) enabling focused growth strategy for each of the businesses for opportunities specific to each business;
 - (d) creating greater visibility on performance of each of the businesses;
 - (e) providing a separate growth path and focussed management for each of the businesses;
 - (f) enhancing operational efficiency; and
 - (g) pursuing growth in the respective business verticals with focused management approach and de-risking the businesses from each other.
